INTRODUCTION

At City St George's Students' Union, we seek to make every day better for our students. We recognise that our Sports Clubs are an important part of that mission, making every day better by helping students make friends, find their passions, and have an amazing time at City St George's. For this reason, reward and recognition could not be more important. We want to recognise the impact our groups, clubs, and individuals have had on life at City St George's.

What better way to do that than via our annual Students' Union Sports Awards taking place on Wednesday 7th May, at the Dragon Bar in City St George's Students' Union at the Tooting Campus!
